## Potato Head Singapore

---

As Potato Head Family's first international concept, Potato Head Singapore is designed to be our home away from home. The central theme of fun, whimsy and childhood fills the space through murals on the walls and sculptures. At the same time, static aspects of the space are inspired by the history of the building that was built in 1939.

### Spaces

- Featuring our distinct experiences across each level: The Rooftop Bar / Studio 1939 Bar / The Dining Hall.

### Art

- The interior of our building is whimsically stylised with wall murals, installations, paintings and chandeliers by Australian artist David Bromley.

### Music

- Playing specially created DJ mixes everyday by resident artists, featuring Tropical house / Nu-disco / Afro-house.

## The Rooftop Bar

### 4th Floor - Rooftop Garden

This is our bohemian oasis where an urban open garden flourishes. The alfresco setting together with special tiki cocktail concept transports you to a tropical paradise amidst the bustling city.

This is a rare spot that opens up to a stunning view that is a beautiful marriage of heritage shophouse rooftops and modern skyscrapers.

### Highlights

- Rooftop garden with a view of the central business district.
- Wall Mural.
- Exclusive Tiki cocktail menu.
- DJ mixes everyday from opening till late.
- Sustainable furniture made with 100% recycled plastics.
